

Matrix Comsec Awarded for Excellent Innovation in Telecom Technology & Products by TEMA

Matrix, a leading manufacturer of enterprise telecom and security products, is awarded for **'Excellent Innovation in Telecom Technology and Products'** by TEMA. This award has been conferred upon Matrix for its exceptional efforts in bringing about technological innovations and quality engineering in its products. In a function at BSNL headquarter in Bangalore the award was presented by TEMA and CMAI Association of India in association with BSNL QA at Bangalore on 22nd May 2015. Telecom Equipment Manufacturers' Association of India (TEMA) is recognized by the Government of India as the National Apex body to represent telecom Technology Providers, Global and Indian, Private and Government owned companies. Matrix has a rich innovation lineage. The company has acquired a formidable reputation for quality

and engineering of its products and already won more than 20 reputed awards nationally and internationally. Today Matrix products are sold in more than 40 countries world-wide.

This award, instituted by TEMA, acknowledges the most outstanding technological innovation that has brought prestige to India. It is awarded to technology that is developed in the country by Indian innovators and meets the highest global standards. Technologies leading to commercially successful products, processes and services, which give India a sustainable competitive advantage, are considered for the award.

On receiving the award, Mr. Ganesh Jivani, founder of Matrix, said, "We are very honored to receive the TEMA Award for **'Excellence in Innovation'**. This is a great recognition for the outstanding team of Matrix that has consistently delivered world-class products to its customers. This award is a validation of the quality and reliability of our products, support services, the efforts of all our channel associates who represent Matrix across the globe, marketing and selling our products. We congratulate them and the entire Matrix team for this achievement. We thank our customers for their continual faith in us."

TEMA selected the winner after rigorously evaluating several Indian technology companies through a careful analysis of a variety of parameters including technology innovation, commercial success, execution of strategy and dedication to research and development. ■
