

## Matrix Comsec concludes growth summit at Munnar (South)

**M**atrix Comsec recently concluded its annual partners Growth Summit at Munnar. It was a three day event where Top performing Matrix system integrators were acknowledged and awarded for their outstanding sales performance for the year 2013-14. Around 80 Matrix partners from South along with a few partners from the international countries attended the summit. Complying with its tradition of introducing products during the summit, this year too two products one each on telecom and security range respectively were introduced.

“Our partners are core to our business and a key driver for Matrix’s future growth. This event is a demonstration of Matrix’s commitment to our partners across

the globe, as well as an opportunity to recognize our top performing system integrators,” says Ganesh Jivani, MD, Matrix Comsec.

The event was a time to take a break after a year-long hard work. Matrix partners enjoyed various indoor games and activities at Munnar. Growth Summit also provided a platform to partners to interact with their other partners and share their experience and ideas. The summit ended on a positive and energetic note where partners were all charged up to tackle the current business year and promised to meet again at the summit next year. The North event is to be held at Agra.
