

Matrix Comsec recognized & awarded as one of the fastest growing mid-sized enterprise in India

Matrix has recently been recognized as one of the fastest growing mid-sized enterprise in India by reputed USA based INC. magazine.

Focusing on entrepreneurship and growth, the magazine recognized and awarded India's fastest growing companies in various sectors. Since its two decades of operations, Matrix has been consistently growing in terms of revenue and market share.

Matrix has been selected for this honor by scores from a panel of high-caliber industry experts from top tier business, publication and analyst firms like Barclays Capital, Wockhardt, ISB and Transmute Capital. The award was granted on the basis of various parameters like sales growth over the last four years, company's line of business and business leadership. Companies were shortlisted from a list of more than 5000 companies across 40 business sectors.

For Ganesh Jivani, MD, Matrix Comsec, "Winning the Inc India 500 award is not only a great source of honor and pride, but also an inspiration to set the bar higher for ourselves. He corroborates, "Matrix has consistently delivered world-class products to its customers.

This award is a validation of the quality and reliability of our products, support services, the efforts of all our channel associates who represent Matrix across the globe, marketing and selling our products. We congratulate them and the entire Matrix team for this achievement. We thank our customers for their continual faith in us."

The INC. India Awards 2012 is a toast to the emerging order of the new India Inc. and a testimony to heroic journeys and winning performances by rising Indian business icons.
