

Vadodara, 8th November, 2013

Matrix to Showcase its range of cutting-edge Telecom and Security Solutions at Engineering Expo, Chennai.

Matrix Comsec, a leading manufacturer of enterprise telecom and security solutions, is participating in the Engineering Expo, at Chennai. Matrix will showcase its complete portfolio of telecom and security products encompassing range of Business Phone Systems, Converged Voice & Data Solutions, Android/iOS Mobile Softphone, GSM-VoIP Gateways, Access Control and Time-Attendance Solution and Video Surveillance Solution.

During this event, Matrix will launch its most awaited Office-in-a-Box solution. NAVAN CNX200 – all-in-one solution for all voice, data, internet, wireless, mobility and messaging needs of small businesses and branch offices with up to 24 users. NAVAN CNX200 delivers advance IP-PBX functionality, secure internet, wireless access, data networking and virtual private networking from a compact and converged platform.

In the Access Control and Time-Attendance domain, Matrix will launch two new door controllers COSEC DOOR PVR and COSEC PATH. Mentioning about the new products, all excited Mr. Jatin Desai – Product Manager of Access Control and Time-Attendance Solution said “that these products have a cutting edge advantage over the others. COSEC DOOR PVR, a palm vein reader based door controller provides the highest security and eliminates hygiene concerns. COSEC PATH series door controllers are IP65 rated and with PoE enable.”

Matrix will also launch SATATYA NVR400 for IP based surveillance solution. “This highly reliable product with comprehensive centralized management software along with enhancing security will also improve productivity and efficiency of organizations” said Mr. Kaushal Kadakia – Product Manager Video Surveillance Solution. Matrix is also going to showcase its entire range of DVRs and Cameras suitable for all kinds of applications.

Visit Matrix at Stall No. A-6 Chennai Trade Center, Chennai during November 14-17, 2013.
