Matrix certifies its IP Video Surveillance interoperability with Grandstream IP cameras

Matrix Comsec, a leading manufacturer of enterprise telecom and security solutions, has opened new doors by joining hands with Grandstream GXV IP Video Cameras for IP-based surveillance solutions. Enterprise and SME customers worldwide can implement a comprehensive and reliable video surveillance solution for improved security and business productivity using the Matrix NVR400 (Network Video Recorder) and Grandstream IP Cameras.

Matrix SATATYA NVR400 now supports Grandstream camera models GXV 3504 (Encoder), GXV 3601, GXV 3610, GXV 3611, GXV 3615. Video processed on any GXV IP cameras is encoded and processed at the camera then streamed to the SATATYA NVR400 for storage and remote access to live views and playback of recorded images. This addition to the cameras supported by Matrix SATATYA NVR400 is a step ahead for Matrix in the US video surveillance market and for Grandstream in the Indian video surveillance market. Matrix and Grandstream can help each other evolve in their markets through this interoperability.

“We are glad to offer this interoperability as the feature rich enterprise level IP solution of Matrix with the crystal clear image quality of Grandstream IP Cameras will help System Integrators provide a trusted and effective solution to their customers worldwide.” said Kaushal Kadakia, Product Owner- Matrix Video Surveillance.

Also, David Li, CEO of Grandstream Networks added that “Businesses of all sizes and application types equally deserve the most flexible, highly reliable and, easily manageable solution. We value our Matrix certification and look forward to having our IP cameras work seamlessly with Matrix NVRs to provide remote and centralized management of multiple locations making them highly suitable for dispersed enterprise organizations.”

About Matrix Comsec

Established in 1991, Matrix is a leader in Telecom and Security solutions for modern businesses and enterprises. An innovative, technology driven and customer focused organization; the company is committed to keep pace with the revolutions in the telecom and security industries. With around 30% of its human resources dedicated to the development of new products, Matrix has launched cutting-edge products like IP-PBX, Universal Gateways, VoIP Gateways and Terminals, GSM Gateways, Access Control and Time-Attendance Systems, Video Surveillance System and Fire Alarm Systems. These solutions are feature-rich, reliable and conform to the international standards. Having global foot-prints in Asia, Europe, North America, South America and Africa through an extensive network of more than 500 channel partners, Matrix ensures that the products serve the needs of its customers faster and longer. Matrix has gained trust and admiration of more than 350,000 customers representing the entire spectrum of industries. Matrix has won many international awards for its innovative products.
