Matrix to Showcase its Comprehensive Range of Security Solutions at IFSEC 2013, Noida, India

Matrix Comsec, a leading manufacturer of Enterprise Security and Telecom solutions, is participating in IFSEC-2013. Matrix will showcase its complete portfolio of Security products encompassing range of Access Control and Time-Attendance Solution and Video Surveillance Solution.

IFSEC 2013 is an ideal platform that brings together the leading industry players world over to showcase their technological talents. We look forward to greet all the System Integrators, Diplomats, Govt. officials, Co-exhibitors and Industry Stalwarts to know more about our products and services to benefit their businesses.

Here, at this event, Matrix will launch a range of new high end door controllers with IP65, PoE and touch screen. "These door controllers offer cutting edge advantages in terms of technology, connectivity, ease of use and operating environment over other products available in the market." said Jatin Desai- product owner Time-Attendance and Access Control. Apart from these we will also showcase palm vein based door controller and our complete range of controllers along with time-attendance and access control software.

Moreover, enhancing its video surveillance range, Matrix will launch SATATYA HVR series a single solution for IP and analog surveillance needs. This solution utilizes the cost benefits of analog and enhanced security and scalability of IP solution. "This highly reliable enterprise solution with a comprehensive Centralized Management Software and Mobile Viewer along with enhancing security will also improve productivity and efficiency of organizations" said Mr. Kaushal Kadakia – Product Owner Video Surveillance Solution.

We look forward to visit us at Hall No. 1, Stall No. A-23, India Expo Centre, Greater Noida, Delhi (NCR).

ABOUT MATRIX COMSEC

Established in 1991, Matrix is a leader in Telecom and Security solutions for modern businesses and enterprises.
