Matrix to Showcase Cutting-edge Telecom and Security Solutions at INTEC'14, Coimbatore

Matrix Comsec, a leading manufacturer of Enterprise Telecom and Security solutions is participating in INTEC 2014 - a leading international industrial event to be held in Coimbatore, India. Matrix will be showcasing its range of IP Phone Systems, Branch Office Gateways, Android/iOS Mobile Softphone, Time-Attendance, Access Control and Video Surveillance solutions.

During this event, Matrix will showcase its award-winning NAVAN CNX200 - Office-in-a-Box Solution. NAVAN CNX200 is a single box solution for all Voice, Data, Internet, Wireless, Mobility and Security needs of Small Businesses with up to 24 users. NAVAN CNX200 delivers advanced IP-PBX functionality, High-Speed Internet, Wireless Voice & Data, Data Routing and Virtual Private Networking (VPN) from a compact and converged platform.

Enhancing its Access Control and Time-Attendance portfolio, Matrix will launch IP65 certified Touch Screen Door Controllers with PoE Connectivity and Palm Vein Reader based Door Controller for highest security and to overcome hygiene concerns. Moreover, adding to the existing IP and Analog Video Surveillance solutions, Matrix will launch a unique SATATYA HVR - Hybrid Video Recorder. This unique single IP and Analog enterprise solution utilizes the cost benefits of analog solution as well as enhanced security of IP solution. "The integrated Matrix Security solution helps enterprises in increasing its security, productivity and efficiency," said Kaushal Kadakia – Product Manager Video Surveillance.

Visit Matrix at INTEC 2014 during 06th-10th June, 2014, Hall-A Stand No. 2
