Matrix to Showcase Office-in-a-Box Solution at NigeriaCom 2013

Matrix Comsec will launch its Office-in-a-Box solution NAVAN CNX200 at NigeriaCom 2013 exhibition, Lagos, Nigeria. Matrix is a leading manufacturer of IP based business phone systems and VoIP-GSM Gateways.

“NigeriaCom is a major technology exhibition for industry players to showcase latest telecom and ICT solutions. We are excited to participate in this event for the first time with our local partner Reliance Infosystems. Matrix will showcase its range of business phone systems, converged voice & data solutions, Android/iOS mobile softphone and GSM-VoIP gateways.” said Dipesh Patel, Business Manager.

At this event, Matrix will unveil its NAVAN CNX200 – all-in-one office solution for all Voice, Data, Internet, Wireless, Mobility and Messaging needs of small businesses and branch offices with up to 24 users. NAVAN CNX200 delivers advance IP-PBX functionality, secure internet, wireless access, data networking and virtual private networking from a compact and converged platform.

Optimized for service provider business, NAVAN CNX200 offers bundling of managed communication services and high-speed internet over 3G/HSPA and leased lines. This in turn helps service providers to reduce operational costs, increase ARPU and leverage communication infrastructure and services.

Nigeria is the fastest growing telecommunication and IT market place in West Africa region. We are looking forward to meeting key service providers and business professionals to explain our business solution.

Visit Matrix at NigeriaCom 2013 during September 17-18, 2013, Stand No. 8.
