

Vadodara, India (7th July, 2014)

Matrix to Showcase its range of cutting-edge Telecom and Security Solutions at International Police Expo, 19-20 July 2014, New Delhi, India

Matrix Comsec, a leading manufacturer of telecom and security solutions, is participating in the International Police Expo, New Delhi. During this event, Matrix will showcase solutions specific to the needs of Police communication and security, which includes Radio Gateway and range of IP-PBXs for Police HQs/Zonal and District offices, Converged Voice & Data Solutions, Android/iOS Mobile Softphone, Access Control and Time-Attendance Solution and Video Surveillance Solution.

The eye catcher for the show - Matrix ETERNITY LE is a powerful police communication solution designed for large HQs to transcend all technological and geographical boundaries. Mentioning about the product, Mr. Ruchir Talati – Product Manager of Enterprise Solutions said “This thorough breed solution offers advanced functionality backed by reliability and flexibility that today's police expect from a communication solution. ETERNITY LE provides CNR interface with HF/VHF/UHF Radio network which enable police staff to communicate between PBX user and radio network user seamlessly. Its advanced call capabilities and comprehensive features facilitate to reach distance location more efficiently without any human error. ETERNITY LE is an energy efficient, compact, single rack solution that eliminates the need of large power stations and stacking multiple cabinets to offer scalability up to 2000 users.”

In the Access Control and Time-Attendance domain, Matrix will launch two new door controllers COSEC DOOR PVR and COSEC PATH. Mentioning about the new products, all excited Mr. Jatin Desai – Product Manager of Access Control and Time-Attendance Solution said “that these products have a cutting edge advantage over the others. COSEC DOOR PVR, a palm vein reader based door controller provides the highest security and eliminates hygiene concerns. COSEC PATH series door controllers are IP65 rated and with PoE enable.”

Matrix will also launch SATATYA NVR400 for IP based surveillance solution. “This highly reliable product with comprehensive centralized management software along with enhancing security will also improve productivity and efficiency” said Mr. Kaushal Kadakia – Product Manager Video Surveillance Solution. Matrix is also going to showcase its entire range of DVRs and Cameras suitable for all kinds of applications.

We look forward to greet Visitors at Stall No. 69, Hall-12, Pragati Maidan, New Delhi
