Matrix Time–Attendance and Access Control Product bags the coveted Indian Design Mark Award

Matrix Time-Attendance and Access Control product has been awarded the India Design Mark, by the India Design Council.

The India Design Council is affiliated with India's Ministry of Commerce & Industry and is made up of eminent people in academia, design and industry organizations. The India Design Mark (I Mark) awards program was conceptualized in collaboration with the Japan Institute of Design Promotion, organizers of Japan's Good Design Award (G Mark). Adopting the same high standards as its Japanese equivalent, the submissions and judging for the first edition of the India Design Mark Awards was completed recently and the winners were announced. Of the 71 applicants, 31 were conferred with the Indian Design Mark award.

Commenting on the achievement, Ganesh Jivani, MD, Matrix Comsec said, "I am very pleased with this recognition that our flagship product has received. This award not just realizes our efforts but also motivates us to continue creating more new and innovative products. It stands for the quality of Matrix products."

ABOUT MATRIX COMSEC

Established in 1991, Matrix is a leader in Telecom and Security solutions for modern businesses and enterprises. An innovative, technology driven and customer focused organization; the company is committed to keep pace with the revolutions in the telecom and security industries. With around 30% of its human resources dedicated to the development of new products, Matrix has launched cutting-edge products like IP-PBX, Universal Gateways, VoIP Gateways and Terminals, GSM Gateways, Access Control and Time-Attendance Systems, Video Surveillance System and Fire Alarm Systems.
