

Vadodara, 13th September 2013

Matrix to showcase its comprehensive range of Security solutions at 16th India International Security Expo (IISE), New Delhi.

Matrix Comsec, a leading manufacturer of Enterprise Telecom and Security solutions, is participating in 16th IISE-2013. Matrix will showcase its complete portfolio of Security products encompassing range of Access Control and Time-Attendance Solution, Video

Surveillance Solution and Fire Alarm Panel.

At this event, Matrix will launch a range of new door controllers which include COSEC DOOR PVR and IP65 compliant COSEC PATH series. These products have a cutting edge advantage over others COSEC DOOR PVR, a palm vein reader based door controller provides the highest security and eliminates hygiene concerns as it is a completely contactless device. This device is most suited for hospitals, chemical organizations, mines, factories, corporate houses and many others. COSEC PATH is a range of IP65 compliant compact door controllers with inbuilt PoE. This range of standalone door controllers helps in providing a perfect solution for access control needs of enterprises.

Matrix will also be showcasing its family of video surveillance solutions specifically engineered for organizations who demand industry-grade sturdy solutions. Matrix SATATYA family consists of DVRs, NVRs, Analog Cameras, Central Management Software, Mobile Viewer, Web Client and accessories. These high-performance products are rich in features, flexible, easy to use and reliable suited to fulfill the requirements of all corporates.

We look forward to meet you at Stall No. 10-6 F-G during 26th Sept to 29th Sept, 2013 to discuss your requirements and offer prompt solution.
