Matrix to Showcase Cutting-edge Telecom and Security Solutions at 22nd Convergence India Expo, 21-23 January 2014, New Delhi

Matrix Comsec, a leading manufacturer of enterprise telecom and security products, is participating in 22nd Convergence India Expo, New Delhi. Matrix will showcase telecom and security solutions encompassing range of Business Phone Systems, Voice & Data Convergence, Android/iOS Mobile Softphone, GSM-VoIP Gateways, Access Control and Time-Attendance and Video Surveillance.

During this event, Matrix will showcase its award-winning NAVAN CNX200 - Office-in-a-Box Solution. NAVAN CNX200 is a single box solution for all voice, data, internet, wireless, mobility and messaging needs of small businesses with up to 24 users. NAVAN CNX200 delivers advance IP-PBX functionality, high-speed Internet, wireless voice & data access, data routing and virtual private networking from a compact and converged platform.

Matrix will also demonstrate its SPARSH MS - Mobile Softphone App for Android/iOS smartphones. Ideal for dynamic workplaces, SPARSH MS delivers centralized call management on smartphones such as Corporate Directory, Call Hold/Transfer/Forward/Conference, Voice Mail, BLF, Instant Messaging, Video Calling and lot more at fingertips.

Matrix enhancing its security portfolio will launch IP65 certified, PoE Connectivity, Touch-Screen Door Controllers and Palm Vein Reader based Door Controllers for highest security and hygiene concerns. In Video Surveillance Domain, Matrix will launch SATATYA HVR - Hybrid Video Recorder which utilizes the cost benefits of analog solution as well as enhanced security of IP solution.

We look forward to greet Visitors at Stall No. B-105, Pragati Maidan, New Delhi.

About Matrix Comsec

Established in 1991, Matrix is a leader in Telecom and Security solutions for modern businesses and enterprises.
