

Vadodara, 11th November, 2013

Matrix to Showcase its range of cutting-edge Telecom and Security Solutions at ENGIMACH 2013, 27 November-01 December 2013, Ahmedabad.

The logo for ENGIMACH 2013. The word "ENGIMACH" is written in a bold, yellow, 3D-style font with a slight shadow effect, giving it a metallic or blocky appearance.

Matrix Comsec, a leading manufacturer of enterprise telecom and security solutions, is participating in the ENGIMACH 2013, Ahmedabad. Matrix will showcase its complete portfolio of telecom and security products encompassing range of Business Phone Systems, Converged Voice & Data Solutions, Android/iOS Mobile Softphone, GSM-VoIP Gateways, Access Control and Time-Attendance Solution and Video Surveillance Solution.

During this event, Matrix will launch its most awaited Office-in-a-Box solution. NAVAN CNX200 – all-in-one solution for all voice, data, internet, wireless, mobility and messaging needs of small businesses and branch offices with up to 24 users. NAVAN CNX200 delivers advance IP-PBX functionality, secure internet, wireless access, data networking and virtual private networking from a compact and converged platform.

Matrix enhancing its security portfolio would also launch COSEC DOOR PVR, a palm vein reader based door controller for access control and time-attendance that provides the highest security and eliminates hygiene concerns. Furthermore Matrix would also be showcasing its IP, analog and hybrid video surveillance solution that come with enterprise level CMS for centralized management of multiple locations.

**We look forward to greet Visitors at Hall No. 1, Stall No. 13, Ahmedabad Education Society Ground, Ahmedabad.**
