Matrix to Showcase Office-in-a-Box Solution at GITEX 2013

Matrix Comsec will showcase its Office-in-a-Box solution NAVAN CNX200 at GITEX Technology Week 2013, Dubai. Matrix is a leading manufacturer of IP based business phone systems and VoIP-GSM Gateways.

“GITEX is a major technology event in MEASA region, bringing ICT professionals under common platform. Matrix is participating in GITEX this year to showcase its latest telecom solution such as IP based business phone systems, converged voice & data solutions, Android/iOS mobile softphone and GSM-VoIP gateways.” said Dipesh Patel, Business Manager, Middle East & Africa.

Matrix will unveil its NAVAN CNX200 – all-in-one office solution for all voice, data, internet, wireless, mobility and messaging needs of small businesses and branch offices with up to 24 users. NAVAN CNX200 delivers advance IP-PBX functionality, secure internet, wireless access, data networking and virtual private networking from a compact and converged platform.

Optimized for service provider business, NAVAN CNX200 offers bundling of managed communication services and high-speed internet over 3G/HSPA and leased lines. This in-turn helps service providers to reduce operational costs, increase ARPU and leverage communication infrastructure and services.

Middle East & Africa is the fastest growing telecommunication and IT market place. We are looking forward to meeting key service providers and business professionals to explain our business solution.

Visit Matrix at Gitex 2013 during October 20-24, 2013, Booth No. Z-C10.

ABOUT MATRIX COMSEC

Established in 1991, Matrix is a leader in Telecom and Security solutions for modern businesses and enterprises. An innovative, technology driven and customer focused organization; the company is committed to keep pace with the revolutions in the telecom and security industries.
