## Matrix to showcase the comprehensive range of Security solutions at Secutech India, Mumbai

Matrix Comsec, a leading manufacturer of Enterprise Telecom and Security solutions, is participating in Secutech-2013. Matrix will showcase its complete portfolio of Security products encompassing range of Access Control and Time-Attendance Solution, Video Surveillance Solution and Fire Alarm Panel.

Here, at this event, Matrix will launch a range of new door controllers which include **COSEC DOOR PVR** and IP65 compliant **COSEC PATH** series. Mentioning about the new products, all excited Mr. Jatin Desai – Product Owner Access Control and Time-Attendance Solution said “that these products have a cutting edge advantage over others”. COSEC DOOR PVR, a palm vein reader based door controller provides the highest security and eliminates hygiene concerns as it is a completely contactless device. This device is the most suited for hospitals, chemical organizations, mines, factories, corporate houses and many others. COSEC PATH is a range of IP65 compliant compact door controllers with inbuilt PoE. This range of standalone door controllers help provide a perfect solution for access control needs of enterprises.

Matrix is also going to provide a first in look at its family of video surveillance solutions specifically engineered for organizations who demand industry-grade sturdy solutions. Matrix SATATYA family consists of DVRs, NVRs, analog cameras, central management software, mobile viewer, web client and accessories. “These high-performance products are rich in features, flexible, easy to use and reliable suited to fulfill the requirements of all corporate’s” said Mr. Kaushal Kadakia - Product Owner Video Surveillance Solution.

“At Secutech 2013, our main focus would be on exhibiting the complete range of Security Solutions which includes the most comprehensive software solution of the industry.” said Jatin Desai “We look forward to greeting you at Stall No. L-4 during 28<sup>th</sup> Feb– 2<sup>nd</sup> March 2013, at Secutech-India, Mumbai to discuss your requirements and offer prompt solution.”
