

## Matrix to showcase its range of Telecom and Security solutions at Engineering EXPO 2013, Hyderabad, India.

Matrix Comsec, India based leading manufacturer and provider of Telecom and Security solutions, will showcase its Office-in-a-box, Android mobile softphone, Branch office gateways, Access control and Video surveillance solutions at Engineering EXPO 2013, Hyderabad. Engineering EXPO is a multi-location trade show providing the platform to showcase products & services in specific regions depending on various business requirements.

During the event, Matrix will showcase office-in-a-box solution 'NAVAN CNX200', targeted for small business and branch offices. NAVAN CNX200 is a single box solution that offers voice, data, wireless, internet, mobility and messaging features. Further, Matrix telecom will showcase 'SPARSH MS' mobile softphone application, specially developed to work with ETERNITY range of IP-PBXs for complete mobility while working away from the office.

In addition, Matrix will also showcase COSEC DOOR PVR, a unique contactless palm vein reader based door controller ideal for hospitals, chemical organizations, mines, factories and corporate houses. Furthermore, Matrix will showcase SATATYA NVR400 – IP based network video recording solution for IP camera surveillance and centralized management.

“Engineering EXPO 2013 is an exclusive platform to work closely with SMEs and play a crucial role not only in business development, but also in increasing profitability. We look forward to greet our visitors and explain them about our products and services to benefit their businesses.” said Sajeer Nair, Product Marketing Manager.
