

## **Matrix Comsec Joins Forces with Vital Communications, Inc in distributing Matrix SIP Gateways, and IP enabled security systems with access control**

**June 21, Las Vegas, NV and Orange, CA**

Matrix Comsec is a leading manufacturer of VoIP products such as IP-PBX, IP-Servers, and VoIP Gateways and IP-enabled security products such as access control and time and attendance systems. Matrix is appointing Vital Communications as a distributor for Matrix SETU VoIP gateways, and COSEC – an IP based Access Control and Time and Attendance system.

“We are thrilled to have Vital Communications as one of our leading distributor. Joining forces with Vital Communications will strengthen Matrix presence.”said Shaun Trivedi, Director of Business Development for Matrix’s North American operations.

“This partnership allows both of our organizations to offer cost effective yet feature-rich solutions to Vital Communications Base of value added resellers” continued Shaun Trivedi.

“We are very excited in offering the Matrix Comsec Line of products as we have found them to be of high quality and reliability and will enable our resellers to offer many New and Cost-effective options that were not previously available”- *Walter B Maclay - President / Vital Communications, Inc.*
